Mrs. Lillian Stone Weisberg

Please be advised that certain information has been deleted from these documents since it is considered outside the scope (OS) of your request. This information is strictly limited to the names of FBI agents and the names and information of individuals other than yourself.

In connection with your request, documents which originated with other Government agencies have been referred to them for direct response to you. In addition, the Department of State was consulted regarding their information in one of our documents. Upon return of this document to the FBI, a supplemental release will be forwarded to you.
